# The American Bar Association and the Demise of America's Republican Form of Government

By: Ingri Cassel

After attending the latter 2/3 of a workshop given in our county by the office of Idaho's Attorney General on Open Meeting and Public Records Laws in this state, I am convinced more than ever that the only way out of this mess our country is experiencing is by taking back our courts and judicial branch of government from the American BAR Association and getting the BAR-licensed attorneys out of elected positions of leadership. The following information is edited and excerpted from an article entitled The BAR Card which is posted on several internet websites.

### The BAR Card

It is quite simple to see that a great fraud and conspiracy has been perpetrated on the people of America. The American Bar Association (ABA) is an offshoot from London Lawyers' Guild and was established by people with invasive monopolistic goals in mind. In 1909 they incorporated this traitorous group in the state of Illinois and had the State Legislature (which was under the control of lawyers) pass an unconstitutional law that only members of this powerful union of lawyers, called the ABA, could practice law and hold all the key positions in law enforcement and the making of laws. At that time, Illinois became an outlaw state, and for all practical purposes, they seceded from the United States of America.

The ABA then sent organizers to all the other states and explained to its lawyers how much more profitable and secure it would be for them, as lawyers, to join this union and be protected by its by-laws and cannons. They issued to the lawyers in each state a charter from the Illinois ABA organization. California joined in 1927 and a few reluctant states and their lawyers waited until the 1930s to join when the treasonous Act became DE FACTO and the Citizens became captives.

Under this system, lawyers could guarantee prejudged decisions for the privileged class against the lower class. This was all made possible by the ABA - AMERICAN BAR ASSOCIATION - unlawfully substituting case law in place of Constitutional Laws. The Constitution was written in plain English and the Statutes passed by Congress were also in plain English, with the intent of Congress on how each law should be used and not the opinions of various Judges as occurs in court today. Any normal person can read the Constitution and Statutes and understand them without any trouble.

The public in California was shocked to learn that the State Govern-

ment has no control or jurisdiction over the Bar Association or its members. The state does not accredit the law schools, hold Bar examinations, nor issue state licenses to lawyers. The ABA accredits all the law schools, holds their private examinations, selects the students they will accept in their organization, and issues them so-called license to practice law but keeps the fees for themselves. The ABA is the only one that can punish or disbar a lawyer.

They also select the lawyers that they consider qualified for Judgeships and various other offices in the State. Only the ABA, or their designated committees, can remove any of these lawyers from public office. The State Legislature will not change this system as they are also a designated committee of the Bar. On August 21, 1984, Rose Bird, Chief Justice of the California State Supreme Court, another of the ABA's Judicial Committees, stated in essence, that the BAR should determine the legality of all initiatives before they were allowed to go on the ballot.

This is contrary to both State and Federal Constitutions, as well as the Laws of this Nation instituted By and For the People as a Sovereign Unity of Independent States of We The People, not a fraudulent Corporate entity of Lawyers. This is a tremendous amount of power for a PRIVATE union that is incorporated and headquartered in Illinois to hold over the Citizens of California or any other state. The only recourse left is through the initiative process and a vote by the people.

After the Founding Fathers had formed the Constitution, outlining the laws as to the way our government was to be run, Thomas Jefferson said, in essence, "This proves that plain people, if given the chance, can enact laws and run a government as well as or better than royalty and the blue bloods of Europe."

The American people must stop thinking that lawyers are better than they are and can do a better job than they can before the courts of America. The practice of Law is an occupation of common right! [Sims v. Aherns, 271 S.W. 720 (1925)] The practice of Law cannot be licensed by any state/State. [Schware v. Board of BAR Examiners, 353 U.S. 238, 239 (1957)]

The state "BAR" card is not a license but a "Union Dues Card". This certificate is not a license to practice law as an occupation nor to do business as a law firm. The state BAR is a Professional Association much like a Teachers Union, Actors Union, etc. No non-governmental, private association, other than the BAR, issues their own state licenses. All professional and occupational licenses are issued by the STATE.

Simply put, the State Bar is an Unconstitutional Monopoly; an illegal and criminal enterprise since it violates Article 2, Section 1, Separation of Powers clause of the U.S. Constitution.

There is no power or authority for the joining of Legislative, Judicial, or Executive branches within a state as the BAR has attempted to do. BAR members have invaded all branches of government and are attempting to control de jure governments as agents of a foreign entity!

Under the Common Law and the Laws of America, nowhere is it expressly given for anyone to have the power or the right to form a Corporation. "Corporations" are given birth because of ignorance on the part of the American people and are operating under implied consent and power which they have usurped and otherwise stolen from the people. By Right and Law, they have

No Power, Authority, or Jurisdiction, and must be put out of business by the good Citizens of America in their fight for FREEDOM.

The U.S. Constitution GUARANTEES to every state in this union a REPUBLICAN FORM of government. Any other form of government is FORBIDDEN. [According to Idaho's Deputy Attorney General Brian Kane, Idaho has a "trusteeship form of government."] No public officer or branch of government can be limited to a RULING CLASS of any kind, or the states become ARISTOCRACIES and NOT Republics.

Lawyers have made themselves into 1st Class Citizens, where many public offices and branches of government are open to lawyers only. All other people are limited to only two branches of government and to only

certain offices in those two branches of government, making all people who are non-lawyers into 2nd class subject citizens. When the courts belong to the people, as the United States Constitution REQUIRES, (Article IV, Section 4, we the people, will NEVER rule against themselves.) In these Unconstitutional foreign tribunals we call "courts" (hoodlum centers), men and women in black dresses, that are Unconstitutional ROBES OF NOBILITY. (Article 1, Sections 9 and 10) dispense a perverted ideology, where the people are terrorized by members of the BLACK ROBE CULT (lawyers and lawyer judges in the courtrooms).

The legislative branch of government does NOT have the Constitutional Power to issue Court Orders or any other kind of Orders to the people, just as a "fiction court" or a "court/corporation for profit and gain" cannot reach parity with a lawful man. ONLY Presidents and Governors have the Constitutional Power to grant PARDONS. However, lawyers and lawyer-judges are unconstitutionally granting PARDONS with "immunity from prosecution."

Citizens are not permitted to act like people in the courts. The Citizen (2nd class) is told that he does not know how to create specific documents, that he is not trained in the law, that he does not know court rules and procedures, etc. This is Unconstitutional lawyer system, only HEARSAY SUBSTITUTES (lawyers) NOT under oath, have access to the fiction/for profit and gain Courts, even though only sworn testimony and evidence can be presented in court. Anything else is "Bill of Attainder", NOT permitted under the U.S. Constitution (Article 1, Sections 9 and 10).

The U.S. Constitution does NOT give anyone the right to a lawyer or the right to counsel, or the right to any other HEARSAY SUBSTITUTE. The 6th Amendment is very specific: The accused ONLY has the right to the assistance of counsel and this assistance of counsel can be ANYONE the accused chooses without limitation.

Lawyers and Lawyer-Judges created the current Unconstitutional lawyer system with pre-trial "motions" and "Hearings" to have eternal extortionistic litigation which is BARRATRY and is also in violation of Article 1 of the U.S. Constitution, as this places defendants in DOUBLE JEOPARDY a hundred times over.

Defendants only have a right to a Trial; Not Trials. When a criminal is freed on a Technicality, he is freed because of a Fix and a Pay-Off, as a defendant can only be freed if found innocent by a jury of his peers and not by any Technicality.

Whenever a lawyer is involved in a case, directly or indirectly, as a litigant or assisting in counsel, ALL Lawyer-Judges MUST disqualify themselves since a Constitutional Court cannot be convened with Officers of the Court on both sides of the bench. Also, there would be a violation of the conflict of interest laws, along with the violation of separation of powers, and checks and balances.

These same Lawyer-Judges are awarding or approving of fees for Lawyers, directly and indirectly, amounting to \$Billions of Dollars annually, all in violation of conflict of interest laws. As long as there are lawyers, there will never be any law, Constitution or Justice. There will only be Mob Rule, or Rule by a Mob of Lawyers.

Case-Law is Unconstitutional since Case-Law is enacted by the Judicial Branch of Government; not the Legislative Branch. When a Lawyer-Judge instructs, directs, or gives orders to a jury, the Lawyer-Judge is "Tampering with the Jury". He also tampers with testimony when he orders the answers to be either 'Yes' or 'No'. The lawyer-judge also tampers, fixes, and rigs the trial when he orders anything stricken from the record, or when he "rules" certain evidence and the truth to be inadmissible. This makes the trial and transcript "fixed" and "rigged", because the jury does not hear the entire truth and all the facts of the case. Juries are made into puppets by Lawyers and Lawyer-Judges.

All Lawyers are automatically placed in the judicial branch of government as "Officers of the Court", claiming an Unconstitutional Title of Nobility (Article 1, Section 9 and 10.) Non-lawyer Citizens have to be elected or hired to be in any branch of government and are limited to only two of

the three branches of government. Lawyers, as 1st Class Citizens, can be hired or elected to any of the three branches of government.

Lawyers, as "Officers of the Court" in the Judicial Branch, are Unconstitutionally in two branches of government at the same time whenever they are hired or elected to the executive or legislative branches. This is a violation of the separation of powers, checks and balances, and the conflict of interest laws. District attorneys and State's attorneys have taken the Grand Juries away from the people, where the people are denied access to the Grand Juries when they attempt to present evidence of crimes committed in the courtrooms by the Lawyers and Lawyer-Judges.

The U.S. Constitution, being the Supreme Fundamental Law, is not and cannot be ambiguous as to its interpretation, or it would be a worthless piece of paper and we would have millions of interpretations (Unconstitutional amendments) instead of the few we have now. This is why all judges and public servants take an Oath swearing to Support the U.S. Constitution, NOT interpret it.

Under International Orders, ALL Lawyers, whether they left law school yesterday or 50 years ago, are bound by the same procedures and rules. All lawyers have to file the same motions and follow the same procedures in using the same Unconstitutional Lawyer system. In probate, lawyers place themselves in everyone's will and estate. When there are minor children as heirs, the Lawyer-Judges appoint a lawyer (a child molesting Fagin) for EACH CHILD and, at times, the lawyer fees EXCEED the total amount of the estate.

An OUTRAGEOUS amount of TAX \$MONEY is directly and indirectly stolen by Lawyers. Money that is budgeted to County/City/Borough Boards, School Boards and other local and federal agencies eventually finds its way into the pockets of lawyers, as ALL of these agencies are tricked and/or forced into eternal extortionistic litigation.

In the state of Alaska and Hawaii, the BAR Association has mandated that all judges are to be licensed to practice law (e.g. Alaska Constitution, Article IV, Section 4). This license requirement is not found in any other state of the Union. As all licenses to practice law in the state of Alaska and Hawaii are issued by a judge, what judge is qualified to issue a license to practice law to another judge? As only members of the BAR may be licensed to practice law (e.g. A.S. 08.08.020),

Alaska and Hawaii judges are "required" to be members of the BAR and as such, they are prejudiced to do the business of the BAR. If a judge is required to be a member of the BAR, who disqualifies the judge from office if that judge does not pay the dues or violates the rules of the BAR? Every state in the Union (with the exception of Alaska and Hawaii) "prohibits" judges from holding licenses to practice law. ~

As former World Bank Attorney Karen Hudes stated recently in an interview with Rod Class, "We need to get people to go to the American BAR Association and get those people to understand that we have come to such a situation of massive fraud and corruption that the ABA has lost all total credibility and they should apologize to the American people for what it is that they've been doing. And they should disband! The lawyers should all probably give back their licenses." In the interview she also suggested that the original 13th Amendment to the U.S. Constitution be restored.

Original 13th Amendment: "If any citizen of the United States shall accept, claim, receive, or retain any title of nobility or honor, or shall, without the consent of Congress, accept or retain any present, pension, office, or emolument of any kind whatever, from any emperor, king, prince, or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them, or either of them."
