## TREASON: A Notice to Public Servants

By: Ingri Cassel

On the night of December 23, 1913 the United States Congress passed the Federal Reserve Act and thereby committed the greatest act of **TREASON** in history. It surrendered this nation's sovereignty and sold the American people into slavery to a cabal of arch-charlatan international bankers who proceeded to plunder, bankrupt, and conquer this nation with a **money swindle**.

The "money" the banks issue is merely bookkeeping entries. It cost them nothing and is not backed by their wealth, efforts, property, or risk. It is not redeemable except in more debt paper. The Federal Reserve Act forced us to pay compound interest on thin air. We now use worthless "notes" backed by our own credit that we cannot own and are made subject to compelled performance for the "privilege".

From 1913 until 1933, the United States paid the "interest" with more and more gold. The structured inevitability soon transpired: the Treasury was empty, the debt was greater than ever, and the United States declared bankruptcy. In exchange for using notes belonging to bankers who create them out of **nothing** on our own credit, we are forced to repay in substance (labor, property, land, businesses, resources, life in ever-increasing amounts.) This may have been **the greatest heist and fraud of all time**.

When a government goes bankrupt, it loses its sovereignty. In 1933 the United States declared bankruptcy, as expressed in Roosevelt's Executive Orders 6073, 6102, 6111, and 6260, House Joint Resolution 192 of June 5, 1933, confirmed in *Perry v. United States*, (1935) 294 U.S. 330-381, 79 L.Ed 912, as well as 31 USC 5112, 5119, and 12 USC 95A. The bankrupt United States went into receivership, reorganized in favor of 115 creditors and new owners. In 1913, Congress turned over America... lock, stock and barrel to a handful of criminals whose avowed intent from the beginning was to plunder, bankrupt, conquer, and enslave the people of the United States of America and eliminate this nation from the face of the earth. The goal was, and is, to absorb America into a one-world private commercial government, a "**New World Order**."

On March 9, 1933 President Roosevelt called for the passing of The WAR POWERS ACT TITLE 12 USC. Section 95 (a) and 95 (b). This act declared all United States Citizens to be the enemy of the United States Government, and placed us under permanent Emergency Rule, bypassing Constitutional constraints on government.

With the *Erie R.R. v Tompkins* case of 1938, the Supreme Court confirmed their success. We are now in an international private commercial jurisdiction in colorable admiralty-maritime under the Law Merchant. We have been conned and betrayed out of our sovereignty, rights, property, freedom, common law, Article III Courts, and

The **Bill of Rights** has been statutized into "civil rights" in commerce.

You have destroyed the Republic. America has been stolen. We have been made slaves, i.e. permanent debtors, bankrupt, in legal incapacity, rendered commercial "persons," "residents," and corporate franchisees known as "citizens of the United States"

Since 1933 what is called the "United States Government" is a privately owned corporation of the Federal Reserve/International Monetary Fund. It is merely an instrument whereby the bankers administer their ongoing subjugation and plunder of what was once considered "**the last great hope of human freedom**." All "public servants," officials, Congressmen, politicians, judges, attorneys, law enforcement officers, States and their various agencies, etc., are the express agents of these foreign principals - see Foreign Agents Registration Act of 1938; 22 USC 286 et seq, 263A, 185G, 267J, 611(C) (ii) & (iii); Treasury Delegation Order #91 - who have stolen the country by clever, intentional, and unrelenting fraud, trickery, treachery, non-disclosure, miss-representation, intrigue, coercion, conspiracy, murder. If there is a greater tragedy in human history it is hard to know what it is.

An insidious aspect of this is that "officials" like you may think you are "public servants," are upholding the "law," or other hoaxes. In truth you are conscientiously and assiduously serving the archenemies of yourselves, your own rights, your fellow citizens, continued human rights, life, and freedom in general. YOU are seditiously administering the plunder, bankruptcy, conquest, destruction, dismantling, and elimination of your country. YOU are systematically defrauding, extorting, impoverishing, and injuring human life on the basis of crimes and lies of such magnitude, depth, and proportions as to be beyond human comprehension.

Now you believe you can sell this nation to foreign powers with the stroke of a pen by **Executive Order 12803**, April 30, 1992.

By so doing, you are committing **TREASON and PERFDY** so immense as "to make the angels weep." If you and your fellow "officials" do not understand the real situation, you are ignorant, naive, deceived, and conned. You are sheer dupes. If you do know and are parties to it, you are guilty of evil and heinous **BETRAYAL**. You are in such case **TRAITORS and CRIMINALS**. All of you "**in power**" are therefore, either fools or knaves, either of which eminently invalidates your "authority" and renders null and void absolutely all-moral obligation to pay allegiance or to obey the **TREASONOUS SYSTEM** you enforce with such mechanical viciousness.

If, you, "public servants" had any shred left of humanity, awe, heart, clarity, sanity, access to your true being and conscience, you would instantly resign and do everything possible to inform the American people of their plight and help us retrieve our rights and our country. Only by such means can you even begin to atone for your endless crimes against humanity, the lives you so arrogantly and mindlessly butcher with the "meat-grinder of the law."

What do you think the American people will do as they discover that they have no more country, that they are slaves to mortal enemies, that

they have been tricked and betrayed by their "leaders" who sold them out? What do you think they will do when they realize that all their alleged "public servants" are willing or stupidly compliant parties to the plunder, bankruptcy, subjugation, and ruin of their lives and country?

There is no acceptable excuse for what you have done. You **cannot** engage in bringing harm to life and, like the Nazi's defense at Nuremberg, presume that because you do so under the "authority" of an imaginary, abstract, unreal legal fiction called "government" you are freed of the consequences of your acts. Moral and natural law are **not** obviated by ignorance, hubris and self-righteous militancy. Your entire system - from the ground up - is **deceit and fraud**. It is illicit in essence and ab initio. As Broom's Maxims 297, 729 put it: "A right of action cannot arise out of fraud." Honor is earned by honesty and integrity, not under false and fraudulent pretenses. The color

CONTINUED FROM PAGE 6

of the cloth one wears cannot cover up the usurpations, lies, and treachery. "When black is fraudulently declared to be white, not all will live in darkness."

More and more Americans are awakening to the truth. What do you think the American people will do as they discover that they have no more country, that they are slaves to mortal enemies, that they have been tricked and betrayed by their "leaders" who sold them out? What do you think they will do when they realize that all their alleged "public servants" are willing or stupidly compliant parties to the plunder, bankruptcy, subjugation, ruin and destruction of their lives and country? Thomas Jefferson wrote: "An honest man can feel no pleasure in the exercise of power over his fellow citizens." Lincoln said: "Just as I would not be a slave, neither would I be a master."

I will not participate in your corrupt, arrogant, and cruel **fraud**, either as perpetrator or victim. I will no longer sit here and writhe. **The TYRANNY over this nation MUST END!** End Emergency Rule. Repeal all laws passed under Emergency Rule. Give us back our substance and our law. Give us back our Republican form of government.

If you continue with this course, you will have natural and moral law and higher powers to answer to, not to mention all those you have wronged under color of law. You will have your own laws turned against you, as you have turned the law against us. To transform the shield of protection into a sword of exploitation, subjugation, and plunder is perfidy. I am an American. My destiny is to live as a freeman on the land my forefathers conquered and that I will fight to keep.

**You have now been placed on notice. All further actions on your part will be willful!**

Resolutely, from an American who demands their country back

**NOTE:** Joyce Rosenwald authored the above Notice to Public Servants. She passed on July 26, 2011. She was an amazing researcher who uncovered much of the ongoing fraud, deceit and corruption in the STATE OF CALIFORNIA and its equity courts. She is sorely missed by all those who knew her, and still missed by those who discovered her work after she passed.

## Collusion

CONTINUED FROM PAGE 5

let companies that are mismanaged fail, you buy their failures and that will haunt you. This is exemplified by our national debt of \$39 trillion 90% of which was provided to the banksters. Governments in coalition with banksters are the most dangerous possible issue facing a Republic; Jefferson knew it and made numerous comments on it. Rothschild said that he did not care who ran the government so long as he controlled the money supply; the

16th amendment turned the supply of and interest charges of money to the international banking cartel that I call the banksters, they are the FRS in America, the BoE in the UK, and ECB in Europe. They are an international monopoly or cartel that controls the Western

World. The easy money policies are like illicit sex or heroin; its users become drugged by continuous use, demanding more and more until they give up the ghost. The problem is that while this takes place the middle class is decimated, and when the banksters give up the ghost the entire house of card collapses.

Since about 1955 and based on fixed dollar value, the actual earning income of middle class Americans has fallen every year. Mine is the first generation that has come to the conclusion that their offspring will have a lower living standard than they had. I see this with my myself and then my sons, and grandchildren while my sons earn far more than I ever did, the money is insufficient for them to enjoy the living standard they had as children. This is not their fault, they are better educated than I was, they had more social and economic freedom than they do now and their children have even less of it. All this is the fault of the 1913 decision of Wilson, the first large scale progressive, to enact the 16th amendment. It was colonel House, Wilson's alter ego and the agent of Rothschild who brought this about. The Fabians in 1944 at the UN conference at Bretton Woods NH drove the final nail into Americas coffin.

All this can be verified by taking a look at Argentina that in 1916 was the third wealthiest nation on the planet. They elected a progressive president who ran on a platform of Change, Hope and Forward, (Where have we heard that before?) the exact words of the 1919 Soviet revolution and the progressive movement in America. Look at how that worked out for Argentina; today from number 3 in 1916 to number 54 out of 178 in 2015! "Don't cry for me America"

FRS - Federal Reserve System (Not federal, not a reserve it has none, and not a system, but a corporation incorporated in NYC in 1914)

BoE - Bank of England

ECB - European Central Bank

N W O - New World Order

Fabians - a world wide socialist organization based in the English Midlands Keynesian economics- based on homosexual John Maynard Keynes's failed economic theories
